I, the veterinarian mentioned above, declare:

- The material in this shipment is derived of the animal mentioned above.
- The animal has been carefully examined and didn't show signs of infectious diseases of transmissible concern
- This material does not contain any other animal derived material (ie. from livestock or poultry).
- This material was NOT derived from an animal which was inoculated with or exposed to any infectious agents of transmissible concern.
- That the above information is true and correct to the best of my knowledge.
