Only assign animal record, payment by sender  (A) | Payment by 'COPA':  (B)

**Informations about processing alternatives:**

**1) No assignment of a ,COPA' (owner):**

The submitting veterinarian acts as 'COPA' and gets assigned the COMPLETE online animal record. They receive the payment request/invoice and when a test is completed, the PDF report by email. All reports and orders can be viewed via the veterinarian's user account.

Assignment of the animal record to the owner is possible at any time.

**2) COPA declaration provided, HOWEVER veterinarian pays > Checkbox A**

The COMPLETE online animal record will be assigned to the declared ,COPA'. Upon finalisation of a test they get the reporting email, with the veterinarian in CC.

The **submitting veterinarian** is considered the orderer and **receives the payment request/invoice**. They have access to the basic data of the animal record as well as to the results of the tests they have ordered.

**3) COPA provided and declared as responsible for payment of this order > Checkbox B**

The COMPLETE online animal record will be assigned to the declared ,COPA' and they **receive the payment request /invoice** as well as the reporting email.

**The submitting veterinarian** is documented as the 'witness of the sampling' and receives a copy of the email with the PDF results certificates.
